

Acupuncture of Greenville, SC - Pat Ahner, AP, LAc, LMT, Esthetician

Welcome to my office. Please take a moment to review the financial policies below. Patients are responsible for payment at the time of visit via cash or credit card. I look forward to meeting you and assisting you with your health goals.

Acupuncture, as with most therapies used, works better with repeated treatments and builds on the treatment before, 6-12 are recommended depending on issue addressing. 3 treatments are suggested to understand if treatment is giving results. Some patients notice after their first treatment however others take longer. (similar to building a muscle, compare working out once a month vs 3 times a week.

i.e.: It is more beneficial to have 6-10 treatments in 2-3 weeks than 1 per month for 6-10 months.)
